

David

David is 11. Here's what he would like you to know about him.

My Favorite Things:

I enjoy traveling, board games, card games, building things, music, playing the drums, and biking.

Things that I do not like:

Bossy people, and not having structure.

Activities I Enjoy:

I enjoy spending time outdoors, going on trips, summer camp and music.

What I want In a Family:

I want a family who will follow through with what they say they will do. I want a family who is active and will want to do things with me.

What David Wants Families to Know about Him:

I am smart, I like to build things, I like to be active.

What We Want Families to Know about Him:

We want families to know that David is a smart, articulate boy who enjoys a good debate.

What We Are Seeking in a Family for David:

We are seeking a two parent family for David. David should be the only child or an older sibling. David will need a lot of attention in the beginning and will need a family who can provide structure and follow through. We are also looking for a family who will support David in therapy as he works through feelings of grief and loss. If you are interested in learning more about David, please contact:
